1500lbs	A3	\$9 880	€ 8 040
1500lbs	A4	\$11 220	€ 9 130
material for rigging	all	\$1 700	€ 1 350

Notes: S - straight  
 A3 - 3-wheels amphibians (this variant is supplied without front retractable gear, assistance, how to make it, per e-mail)  
 A4 - 4-wheels amphibians

Floats are delivered fully assembled, water rudder installed, without rigging. Material for rigging is supplied per request, spreader bars between floats can be installed by us.

On amphibians are used hydraulic actuators, these are included in price.

Hydraulic pump is extra, is not included in price of floats set. We use 12VDC electro-hydraulic pump VETUS EHPB12R2, price is 890USD.

Control panel is extra, is not included in price of floats set. Price is 800USD including sensors installed on actuators.

Other price is for crating and packing: \$600 / €480

For EU orders: price doesn't include VAT.

October 8-th/2017
